STUDENT SEMINAR

ACTIVITY: STUDENT SEMINAR

PLACE: CLASS ROOM

AIM: To identify concepts that will promote student academic success in order to reduce stage fear.

LEARNING OBJECTIVES:

- To expand students understanding of the concept.
- To identify practical learning skills and concepts that will promote student academic success.

REPORT OF THE ACTIVITY:

In the part of curriculum, as a teacher I conducted class room seminars. In this students have taken nice participation and they presented well. With the help of this type of class room seminars, they can reduce stage fear and also they can exchange their knowledge in subject and their views in order to develop themselves.

LEARNING OUTCOMES:

- Students improve their presentation skills to show competence identifying relevant information, defining and explaining topic under discussion.
- Students can improve their discussion skills to judge when to speak and how much to say, speak clearly and audibly.
- Students can improve their listening skills, argumentative skills.
- They will also demonstrate problem solving and apply theoretical knowledge.

STUDENTS QUALITY CIRCLE

ACTIVITY: Students Quality Circle

PLACE: CLASS ROOM

PRACTICE: Students of the class are made into three groups are made in such a way that each quality circle should include at least $\frac{1}{2}$ advanced learner students this practice is implement now and then in the class in the presence of the lecturer is on leave.

Under this practice the advanced learner student of that student quality circle will share or explain about any topic as per requirement I wish of the members that already thought in the regular class.

OBJECTIVES:

- To improve the knowledge
- To inculcate the habit of sharing subject knowledge
- To improve students communication skills
- To overcome the stage fear

NEEDS IDENTIFIED:

- Create better rapport among students
- Overcome of stage fear
- To establish the competitive spirit among the students

EVIDENCE OF SUCCESS: students are sharing their views and thoughts prescribed topics freely and discussing among themselves.
