

## Service to Humanity is Service to God

January 26, 2023

Along with education, students must **develop compassionate feelings** in their hearts as human beings. Our Scriptures proclaim, “Service to Humanity is Service to God”. In order **to inculcate this concept in the minds of students**, the Department of Hindi, taking the students, visited an Old age Home at Chirala town. For this, our Hon’ble Principal Dr. Ch Ramanamma gave her kind permission but also accompanied us and spent her valuable time with the old people there along with us. Shree John Raj, Lecturer in Economics also accompanied us on the occasion.
