The Department of Zoology is equipped with one LCD projector, two personal laptops, and both Wi-Fi and LAN facilities. Approximately 70% of the classes are conducted using the LCD projector, while the remaining 30% utilize other ICT tools.

ICT TOOLS:

1. LCD projector:

The Zoology faculty regularly uses LCD projectors for about 70% of both theory and practical classes.

2. LMS classes:

Whenever required, LMS classes are conducted by Dr N. Anakamma, Lecturer.

3. **Testmoz and Qizzz App:** This tool is used to create tests and quizzes for students. It automatically evaluates answers and provides instant scores. It supports various question types such as multiple choice, true/false, and short answer questions.
