Action Taken Report 2023-24

Depending upon the student suggestions and feedback received, College has taken a number of actions to enhance the teaching-learning experience and support student success.

S No	Suggestion of stake holder	Action taken
1	Enhance security measures on campus to ensure the safety of students.	Institution enhanced the focus on discipline, and has also installed security cameras.
2	Provide more resources and support for students to prepare for their careers.	JKC assist students in finding internships and job opportunities. The Centre also provides workshops and resources for students to develop their professional skills and network with employers
3	Expecting for increased component of ICT in TLP by faculty members.	The IQAC encouraged faculty members has to adopt a variety of teaching methods such as interactive discussions, case studies, and problem-based learning to make their classes more engaging and interactive. The college has also provided resources and Support for faculty members who are interested in exploring new teaching methods
4	Offer more financial aid and scholar ships for students who need it from NGOs.	College has increased the concentration for getting additional financial aid from NGOs
5	Enough support from faculty members cocurricular as well as extracurricular issues	The IQAC has encouraged faculty members to be more accessible to students. The College has also created resources for students to connect with faculty members outside of class
