Bangalore-560 072, INDIA.

[Handwritten signature]

2.7.3 Stakeholder Relationship:	• Smooth and harmonious relationship with stakeholders. • Efforts made for stakeholders' involvement in Institutional activities. • Alumni Association involved in Institutional development.
---------------------------------	---

Section III: OVERALL ANALYSIS

3.1 Institutional Strength	• Urban setting with ample space for expansion. • Work ethics and discipline maintained. • JKC program with liberal financial support by the govt. • Good examination results reveal good academic atmosphere. • Student support by committed teachers and office staff.
3.2 Institutional Weaknesses	• Number of courses and subject combinations are few • Limited source of revenue • Research culture to be encouraged. • Lack of eco-awareness
3.3 Institutional Opportunities	• Use of ICT enabled learning resources. • Career Guidance Cell / JKC • Infrastructural facilities are available for NCC and NSS. • Institution has a computer lab.
3.4 Institutional Challenges	• To launch more UG and PG Courses. • Vacant teaching and non-teaching posts to be filled. • Utilization of the potentials of alumni and parents • Collaboration with industry and social service organizations. • Inculcating motivation for research and development of a research culture. • Empowering students to accept global challenges and entrepreneurship • Automation of office and library.

Section IV: Recommendations for quality Enhancement of the Institution

- Introduce new UG and PG Programmes
- Value-oriented / environmental awareness programs could be initiated
- ICT enabled teaching – learning be encouraged and dedicated Internet Browsing Centre should be efficiently handled
- Teachers could be motivated to take up research / funded research projects
- Institutional collaboration with funding agencies, State Govt. and local bodies to be initiated.
- UGC funds yet to be utilized
- Automation of Library with sufficient internet connectivity needed
- Library must be strengthened with latest collection of books and periodicals
- Activities of the alumni association should be strengthened

- Hostel facilities to be made available to the needy students
- Special grants to be availed for introduction and development of women studies
- Organizing seminars / symposia / work shops
- Consultancy, Collaboration and tie up with industries need to be established
- Sports facilities need to be improved
- Career guidance cell and personal counseling cell to be strengthened
- A Counseling cell with a professional counselor needs to be employed for the benefit of the students
- Common room facilities could be provided
