Cancer Awareness Program

Date: 04-02-2019

Objectives:

To spread awareness of cancer prevention, treatment, and good lifestyle habits.

To raise cancer awareness and eliminate the stigma and fear connected with it.
Assisting individuals in detecting the warning signs and symptoms.

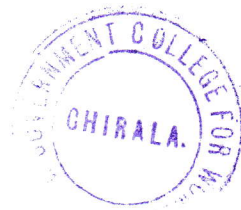

Description:

Women Empowerment Cell and Medical and Health Committee jointly organized Cancer Awareness Program. Dr. L. Babu Rao, Prema Diabetic Hospital, Chirala explained about the Cancer, the programming of a cell or a group of cells is affected, growth may become uncontrolled. Some of the factors that can alter the code are chronic irritation, tobacco, smoke and dust, radioactive substances, age, sex, race and heredity. While one cannot control many of these factors, we need to be aware of the ones we can control of. Prevention is definitely better than treatment of cancer. Sri. L. Hanumantha Rao, Secretary, Indian Red Cross Society, Chirala, WEC, and MHC Convener Smt. D. Dhatri Kumari, MHC Member Smt. P. Aruna, Sri. D. Johnraj, Lecturer in Economics, participated in the program.

Outcomes:

Students got an awareness regarding cancer and they understand how to prevent it with the healthy habits.
