BLOOD GROUPING PROGRAMME

Date: 30-07-2019

Objectives:

- * To conduct blood test and identify the blood groups of students.
- * To provide every students with knowledge of their blood group.

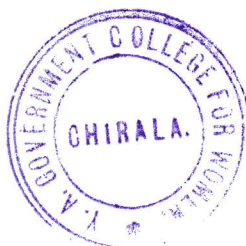

BRIEF REPORT

WEC organized a Blood group testing program with the collaboration with Youth Red Cross Society, Chirala. The technical support was provided by Lab technicians from Hyma Hospital, Chirala. The financial support was provided by the Youth Red Cross Society, Chirala. The Mandal Revenue Officer, Chirala, explained the accurate grouping of blood is very important when it comes to having a blood transfusion. If incompatible blood is given to a patient, it can cause severe transfusion reactions. The Principal and the Staff extended their cooperation in organizing the program successfully.

Outcomes:

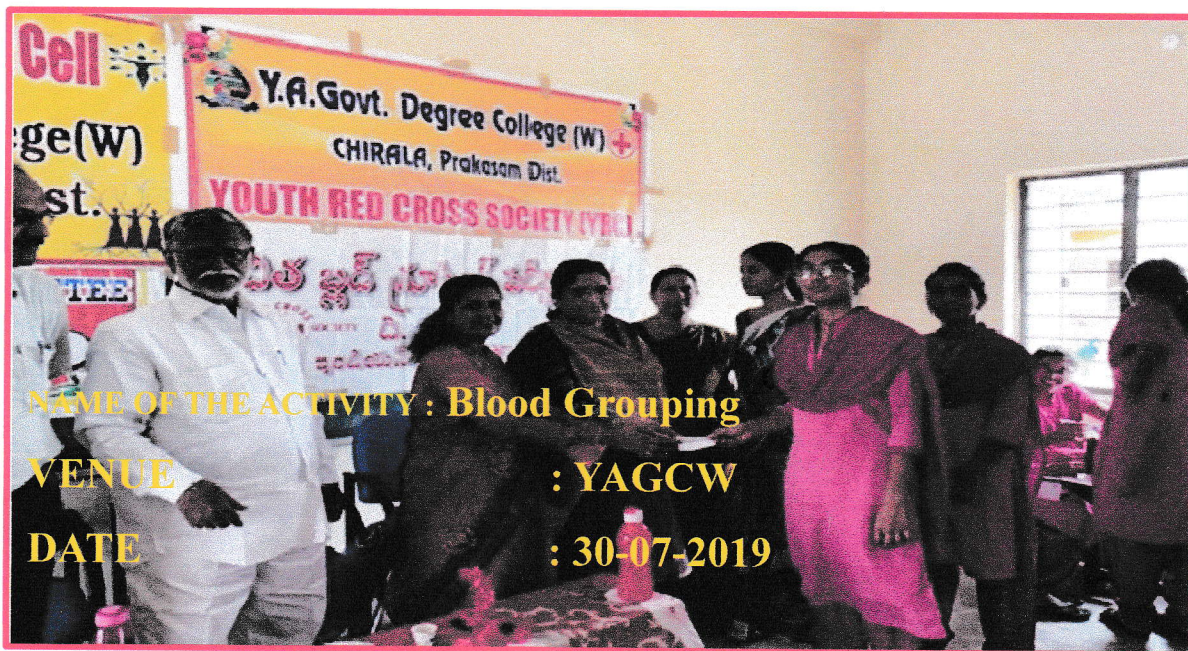

All Students were tested for blood grouping; they got information about their blood group. They understood the importance of knowing their blood group.

No. of students participated: 103
