Free Medical Camp and Eye Testing

Date: 14-02-2020

Objectives:

To conduct free eye examination.

To distribute free medicines to the students who have eye problems.

Description:

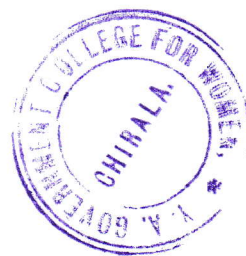

The WEC, in collaboration with the Rotary Club of Chirala, arranged a free eye testing camp. Dr. T. Kumar from Kamakshi Care Hospital, Chirala, conducted the tests. A brief meeting was conducted in this connection. Dr. T. Kumar advised students to have eye tests regularly, and he told them to eat leafy vegetables which have a lot of Vitamin A every day. The President of Rotary Club, Chirala Sri. P. Ramakrishna delivered that Sight and vision are different entities. Sight is physical – it is a sensory experience in which light reflects off of shapes and objects and the eyes then focus this light. So every student check up their eyes yearly once or if there is any problem in their eyes, contact the Eye doctor immediately.

No. of Lecturers Involved: 9

Outcomes:

128 Students and Staff tested for eye problems. About 70 students were identified as having minor eye problems. Medicines worth about Rs.10,000/- were given to the students.

No. of Participants: 128
