Cancer Awareness Programme

Date: 05-02-18

Objectives:

To educate the students about cancer, cervical screening and medication for reduction of cervical cancer.

Description:

A Cancer Awareness Programme was organized on 05-02-18. Cancer is one of the most dreadful health disorder. The WEC conducted the programme in association with the Red Cross Society. Dr.I.Babu Rao and Dr. Subba Rao were resource persons. Dr. Babu Rao explained the how the cancer spreads. Cancer cells growth is hyperplasia and hypertrophy. It is developsany where in body. There are over 200 types of cancer. The occurrence of cancer can be minimized by adopting healthy lifestyle. They should avoid risk behaviours. He spoke on the need of developing healthy habits and positive thinking to win the fight against cancer.

Outcomes:

Students got an awareness regarding cancer and they understand how to prevent it with the healthy habits.

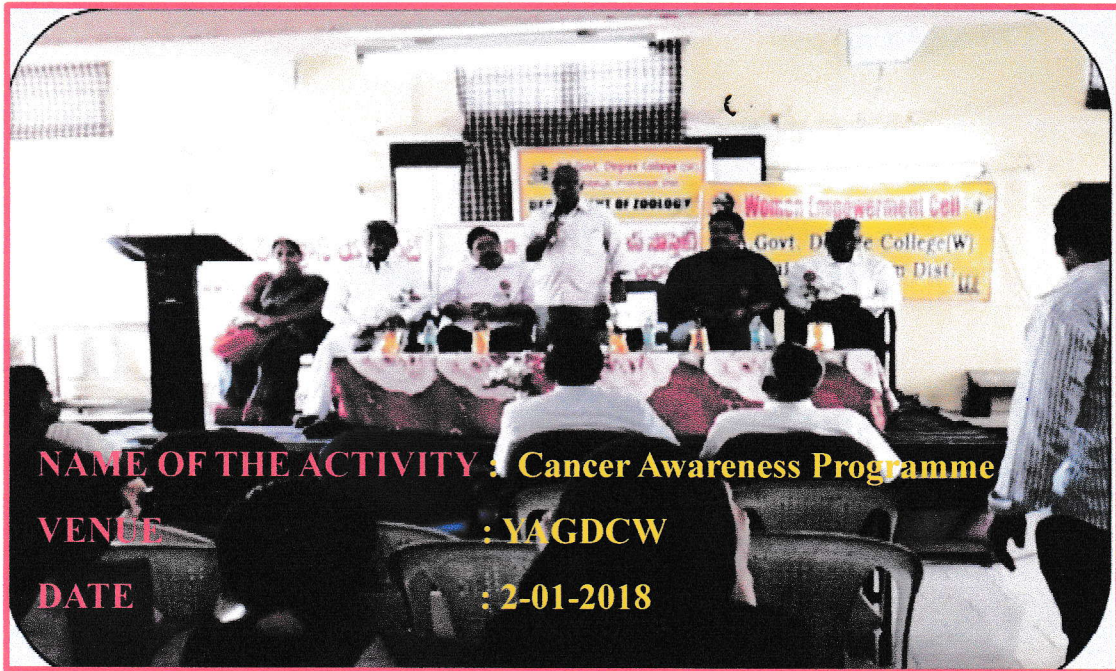

No. of Participants: 93
