Visit to the housing colony of leprosy affected and rehabilitated persons

Date 08-03-2018

Objectives:

The aim of this program is to visit the housing colony of leprosy, Vetapalem affected and rehabilitated persons to spend quality time with them and give the awareness about the leprosy.

Description:

WEC members along with other teaching staff members visited affected and rehabilitated persons to spend quality time in the housing colony of leprosy, Vetapalem. The visitors had chit chat with the people who had deformed limbs, noses and eye brows. WEC Members and Students enquired about their health. They had no words to console those patients. They distributed sweets and dresses. The colony dwellers were over joyous to receive the gifts from the visitors. They had no words to express their gratitude

Outcomes:

The students learn and felt the value of consoling people of depressed.

No. of Participants: 79
