## Blood Grouping Programme

Date: 11-01-2018

### Objectives:

- \* To conduct blood test and identify the blood groups of students.
- \* To provide students with knowledge of the blood group.

### BRIEF REPORT

WEC organized a blood group testing with the help of youth red cross Society, Chirala. The technical support was provided by Lab technicians from Hyma Hospital, Chirala. The financial support was provided by the Youth Red Cross Society, Chirala. 270 students were tested for blood grouping. The Mandal Revenue Officer, Chirala, explained the importance of blood grouping, every student should to know their blood type is in case of an emergency. When ever they require a blood transfusion. The Principal and staff extended their cooperation in organizing the program successfully.

### Outcomes:

They understood the importance of knowing their blood group.

No. of students participated: 270
